

Your External Brain: Grading Rubric

	Meets Expectations (point)	Does Not Meet Expectations (no point)	Points
Content	All requested content has been included in each section.	Some of the requested content is missing from a section.	> 80% = 0 80-99% = 1 100% = 2
Guidelines	All guidelines have been adhered too.	Some guidelines have NOT been adhered to (0).	1
Appropriate citation	All images have a citation, and there is at least one citation at the end of the assignment.	One or more citations are missing.	1
Design	Assignment is well designed (function and aesthetically pleasing)	Assignment is not well designed or lacks organization or aesthetic appeal.	1
Total points			/5
Points lost		This number will be subtracted from your Blackboard tally	

The first time we do not receive your homework is a “freebie”, and no points will be lost. After that, 5 points are lost each time your homework is not turned in.

If plagiarism (or copying from a friend) is detected, you will receive an F in the class, and the office of student affairs will be contacted. Sadly, it has happened.
